## A Message from Jack

"I am looking for a family (or a couple) who will give me a break one weekend per month (negotiable) and give Julia and Graham a rest. I am very loving but like many smaller children need supervising and consistency. I have epilepsy, which is controlled by medication and severe learning difficulties. You would need to be CRB checked and approved by Social Services who would pay you. If it is helpful or easier, you may move into my house for the weekend which lasts from 4pm Friday to 2pm Sunday. Please have a word with Julia B if you are interested. Thank you." *Jack.*

## ACTION FOR CHILDREN

Thank you to everyone who has a collecting box and helped raise £204.95 last year. *Vivienne W.*
