I am a Christian

Everyday Christians are finding it increasingly difficult to openly express their faith. The National Secular Society has encouraged 100,000 people to sign a certificate to *debaptise* themselves. It is part of a campaign to allow people to revoke their baptisms. Premier Radio are running an "*I am a Christian Campaign*" and are asking you, if you are a Christian, to publicly affirm your faith and declare that Jesus is relevant to your everyday life. Make your declaration today at:
