ASSISTANT ON FACEBOOK

It has been suggested that many people would like to hear about some of the things that I become involved with over the coming months. With this in mind, I have set up a Facebook account for the Lay Assistant. I will endeavour to add a comment each day and use this as a base for information and useful links, not to mention being another point of contact where you can reach me in those moments that you think of something and can't remember an email address! To find me simply search (see printed sheet) and I will appear! One of the first things that you may notice that is added is a group called 'Prayer Time' - This is a fantastic group to encourage people to share prayers and requests for prayers as well as helping us all to include a little prayer time in our days. It is also worth noting that it was set up by our own Joey S - Great stuff! - *Simon M*

DIGGING DEEPER 6:30pm SERVICE TODAY

It is the time of year when we remember those who have fought in wars for us and those who continue to fight in our armed forces. The Digging Deeper service tonight will have a representative from the Armed Forces Christian Union speaking on subjects including; what it is to be a Christian soldier, a Christian viewpoint on war and a focus on the Day of Prayer for the Armed Forces on November 5th. This should be a great opportunity to tackle a subject that is so close to many of our hearts at this time and I would encourage you to invite those who may be interested to accompany you to this event. *Simon M*

PRAYING FOR THE LIFE OF THE CHURCH

It is vital that all we do is based on the firm foundation of prayer. With this in mind there will be a weekly section to the newsletter with guidance for you to pray into events and decisions that are happening in the life of the church. Immediate events that need your prayer this week are the Digging Deeper Service tonight, especially for Alan from the Armed Forces Christian Union who will be speaking and also for the Day of Prayer next Thursday. Following on from the TYGs meeting this week, the youth workers in the church would like prayer support as we come to make decisions about next year's youth week away and the holiday club. *Simon M*

PRAYER NOTES

There are spare prayer notes for those who didn't get them with their magazines last week. Thank you to Barbara Tomkinson for preparing them for us each month.

CHURCH FLOWERS Thank you to Rachel A for today's flowers which she would like to be in memory of her mother Marjorie.

This is a national event run by the AFCU and we will be supporting it here at Trinity. On this day there will be a short time of worship and prayer at 10:00, the church will then be open for the rest of the day and another time of worship will take place at 4:00. There will be a display in place throughout the day with prompts to guide you in your prayers.
